Ajustes 3D - Fixador Frontal

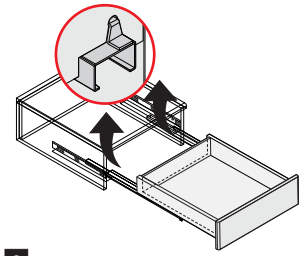

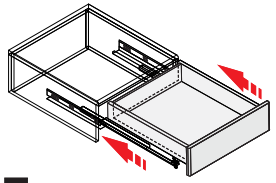

Montagem da Gaveta

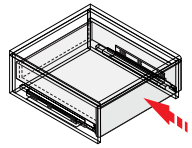

1 Extrair completamente a corrediça.

2 Apoiar a gaveta na corrediça e encaixa-lá na trava posterior.

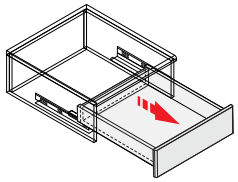

3 Deslizar a gaveta na corrediça para efetuar o travamento no fixador.

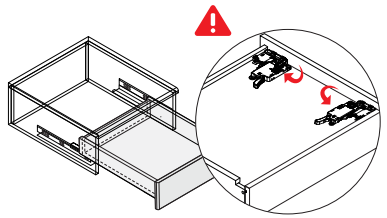

4 Fechar a gaveta para o acionamento do sistema.

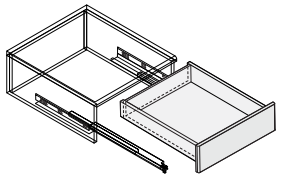

Desmontagem da Gaveta

1 Abrir completamente a gaveta.

2 Destravar os fixadores liberando a gaveta da corrediça.

3 Em seguida puxar a gaveta para a frente, desencaixando - a da trava posterior.
